

Soft Sitting Hyperbaric Chamber

AV-RZ01

PORTABLE AND FOLDABLE

Portable type
can be folded up
moved easily

WIRELESS REMOTE CONTROL

Wire-less Remote
control, can be operat-
ed by one person

2 IN 1 TECHNOLOGY

Oxygen concentrator
and air compressor
integrated

- ▶ Portable type, can be folded up, moved easily
- ▶ Oxygen concentrator and air compressor integrated
- ▶ 2 in 1 machine (The oxygen concentrator and air compressor in 1 set machine). 93%±3% oxygen at 10L/min and air 110L/min
- ▶ High-frequency welding process, durable and non-falling, non-toxic and non-polluting
- ▶ Wire-less Remote control, can be operated by one person
- ▶ Different pressure options via touchable screen
- ▶ Pressurization/Depressurization rate optional

TECHNICAL SPECIFICATIONS

Chamber		Oxygen Concentrator	
Pressure	1.3ATA(4.5PSI)or 1.5ATA(7.2PSI)	Flow Rate	Oxygen Flow: 10L/min Air Flow: 110L/MIN
Material	5 Class TPU	Voltage	AC 220V 50HZ AC 110V 60HZ
Size(cm)	L160*W65*H120cm (63"*26"*48")	Size(cm)	39*39*89CM
O ₂ Purity	Less than 30%	O ₂ Purity	93%±3%
Windows	Both sides 15cm	Intelligent Screen Touch	2 in 1 Technology
Standard accessories	2*Automatic Pressure Relief Valves 1*Manual Pressure Relief Valves 1*Internal Pressure Gauge 4*Oxygen / Air Inlet 1*Silencer 1*Emergency Pressure Relief Valve 1*External Pressure Gauge 1*Sponge Base 1*User Manual		
Optional	Cover (6 Colors available) Internal Frame or External Frame Air Cooler Folding Chair
