

Soft Lying Hyperbaric Chamber

AV-RT01

PORTABLE AND FOLDABLE

Portable type
can be folded up
moved easily

WIRELESS REMOTE CONTROL

Wire-less Remote
control, can be operat-
ed by one person

2 IN 1 TECHNOLOGY

Oxygen concentrator
and air compressor
integrated

Hyperbaric Chamber features:

- ▶ 45cm large transparent viewing window for peaceful environment
- ▶ High-frequency welding process, durable and non-falling, non-toxic and non-polluting
- ▶ Portable type, can be folded up, moved easily

Oxygen Concentrator Features:

- ▶ Intelligent 2 in 1 oxygen concentrator with compressor
- ▶ Different pressure options via touchable screen
- ▶ Pressurization/Depressurization rate optional
- ▶ Wire-less remote control, can be operated by one person

TECHNICAL SPECIFICATIONS

Chamber		Oxygen Concentrator	
Pressure	1.3ATA(4.5PSI)or 1.5ATA(7.2PSI)	Flow Rate	Oxygen Flow: 10L/min Air Flow: 110L/MIN
Material	5 Class TPU	Voltage	AC 220V 50HZ AC 110V 60HZ
Size(cm)	80*L200cm(32"*79") 85*L210cm(34"*83") 90*L220cm(36"*87")	Size(cm)	39*39*89CM
O ₂ Purity	Less than 30%	O ₂ Purity	93%±3%
Windows	Overhead 45cm*19cm Both sides 15cm	Intelligent Screen Touch	2 in 1 Technology
Standard accessories	2*Automatic Pressure Relief Valves 1*Manual Pressure Relief Valves 1*Internal Pressure Gauge 4*Oxygen / Air Inlet 1*Silencer	1*Emergency Pressure Relief Valve 2*2m Air Columns 1*External Pressure Gauge 1*User Manual	
Optional	Cover (6 Colors available) Internal Frame or External Frame	Air Cooler Folding Chair
