

Extended Warranty Coverage

For an additional fee, you may purchase an Extended Warranty that extends the coverage provided by the original Limited One-Year Parts Warranty. The Extended Warranty is available in 3-year or 5-year terms and begins immediately upon expiration of the original one-year warranty period.

The Extended Warranty provides the same level of protection as the original Limited One-Year Parts Warranty: we will, at our option, repair or replace defective part(s) determined to be faulty due to defects in materials or workmanship under normal use and conditions. Replacement parts may be new or refurbished equivalent parts.

Coverage Periods

- **3-Year Extended Warranty:** Provides parts coverage for a total of 4 years from the date of original purchase (1 year original + 3 years extended).
- **5-Year Extended Warranty:** Provides parts coverage for a total of 6 years from the date of original purchase (1 year original + 5 years extended).

What This Extended Warranty Covers

Defects in materials and workmanship in the product's parts that occur after the original one-year warranty expires but within the extended coverage period.
